## Green Spring Gardens Invites You to Save Your Treasures

With winter right around the corner, it's time to think about saving your tender perennials and tropical plants from the approaching cold temperatures. On Saturday, October 6, 2007, from 9:30 to 11:30 a.m., a horticulturalist at Green Spring Gardens in Alexandria will guide participants through the steps and techniques of propagation, storage and saving special plants; and also share Green Spring treasures.

Techniques vary depending on the plant, so remember to bring a pen and pad for writing down which method works best for your garden, whether it's saving, storing, root and stem cutting, or storing just the tuber. Green Spring will even share some of their treasures with you. The cost to attend the propagation and storage workshop is \$20 per person and reservations are highly encouraged.

Green Spring Gardens is located at 4603 Green Spring Road in Alexandria.

For more information or to reserve, call 703-642-5173.
